INDIAN ALLEY

*From Blight to Beauty,
one alley at a time.*

A VISION FOR DOWNTOWN VALLEJO

TRANSFORM INDIAN ALLEY INTO:

★ *a place for Vallejoans to come together.* ★

THEIR PLAN

Indian Alley has incredible potential. Together, we can transform this underused space into a vibrant, welcoming destination that celebrates our history, supports local businesses, and brings our community together.

IMPROVE SAFETY & LIGHTING

Brighter lighting and increased visibility for a safer, more welcoming alley.

LANDSCAPING & BEAUTIFUL SPACES

Add greenery, planters, and comfortable seating to create inviting public spaces.

OUTDOOR DINING & GATHERING

Create space for restaurants and gatherings that bring life and activity to downtown.

LOCAL MARKETS & EVENTS

Host markets, pop-ups, and community events that support local entrepreneurs.

PUBLIC ART & CULTURAL HERITAGE

Murals, art installations, and historic elements that celebrate Vallejo's rich cultural identity.

A WALKABLE SPACE FOR EVERYONE

A clean, attractive, accessible alley where everyone feels welcome and connected.

WHY IT MATTERS

- ✓ Revitalizes a historic corridor
- ✓ Supports local businesses
- ✓ Creates jobs and economic activity
- ✓ Enhances public safety
- ✓ Strengthens community pride
- ✓ Builds a model for other alleys

THE INDIAN ALLEY PROJECT WOULD ENHANCE THE VIABILITY OF DOWNTOWN AS A SHOPPING, ARTS AND ENTERTAINMENT DISTRICT.
